HEADMASTER'S ADDRESS

This past year marked the 15th Anniversary of Robert Land Academy. It has been a year of celebration involving the Parent's Auxiliary, reunion of past cadets and staff, and friends of the Academy.

As I take a moment to reminisce, it brings to mind many things. Firstly, the number of Cadets who have passed through our doors, taking with them a new sense of pride, self-confidence and esteem to meet the challenges that lie ahead. Secondly, the Board of Governors, Senators, parents and staff, who have given a tremendous amount of support in kind and spirit over the past fifteen years. Without you, Robert Land Academy would not exist today. Collectively, we have made a difference, and I truly thank you.

Society and its educational system continues to present its challenges. Robert Land Academy is committed to the education and development of the whole boy, in body, mind and spirit. It is with enthusiasm that we look to the future and the challenge that it represents.

For those cadets who are returning, we look forward to further growth, and another exciting and fulfilling academic year. To those who are graduating, take with you the values you have learned. I wish you all the very best and success for the future.

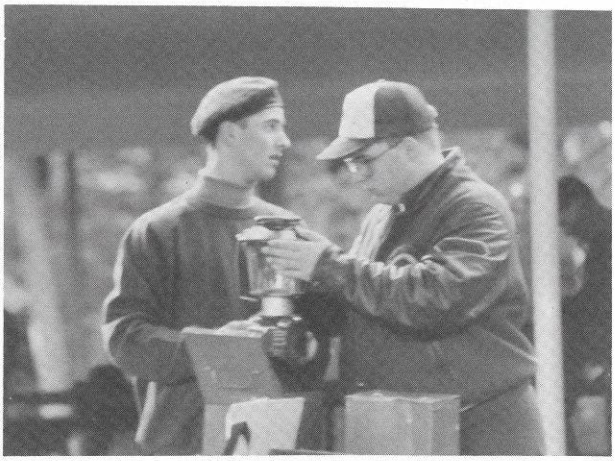
FALL EXERCISE



ASSISTANT HEADMASTER'S ADDRESS

This past year is a good example of what good effort and determination will bring; Success! We have experienced a wonderful 15th Anniversary and can be proud to boast that the Academy has positively influenced over 1000 young men since it's first class of cadets in 1978.

We commissioned a special pen and ink drawing of Academy life to commemorate our year. You can see a reproduction of this art in this Guidon.

Robert Land Academy has, and will continue to provide leadership in education to ensure that our cadets are continually motivated to reach their true potential and be best they can be!

DEVOTIONAL

Today I am taking my devotional on a phrase I heard in Mr. Alagna's English class. It is taken from the poem *Paradise Lost*, by John Milton.

The mind is its own place, and in itself can make a heaven of hell or a hell of heaven.

What this means is that you can make any situation better or worse, it all depends on how you look at it.

Here at RLA all of us are put into a situation that in our minds is not ideal for any of us. All of us can think of at least one place we would rather be right now but for most of us we realize that we are here for the better and that we will remain here for the remainder of the year. All of us can say that RLA has helped us out in one way or another.

If you just try to concentrate on at least one aspect of this academy it will make your year here much better. As John Milton's Quote says: "you can make a heaven of hell"; this pertains to a few of us who have odd hallucinations that they are in hell. Try to find something that you like and try to exel in that particular area. Whether it be your kit, boots, grades in school or even a position in band, colour party or a sports team. Try to exel in the area that you like and sooner or later you'll have something to be proud of and then you will be enjoying yourself that much more then you are now. Then at least you'll be able to go home with some good memories of your year at RLA.

The quote's second part is played out daily here at RLA. This of course is that you can make a hell of heaven. Most of us don't realize it but we are all in a very respectable place. It may not look wonderful from the outside but you 'can not judge a book buy it's cover'. We all eat three good meals a day, we are all in better physical condition than we were in when we arrived here and for almost all of us our grades, which are very important, have improved greatly.

The action I would like you to take is to try and make your year here more enjoyable or as John Milton say's "make your hell into heaven". Find something you enjoy and try to exel in it. Do your best always, never take a shortcut, It will only cheat yourself out of something you know you can do.

Love justice, you rulers of the earth. Think of the Lord with goodness, and seek him with simplicity of heart; because he is found by those who do not tempt him, and he shows himself to those who have faith in him. Perverse thoughts separate man from God; and his power when tested reprimands the unwise. Wisdom will not enter into a wicked soul, nor dwell into a body given to sin. A holy and disciplined spirit will flee from deceit, and will withdraw from vain thoughts, and will depart when sin enters.
